+442036950088, 988364833. Or Telephone: Dial: +44 (0) 20 3695 0088 (UK Toll)
Meeting ID: 988 364833.

March	Finding the Perfect Plot
April	Key Structural Systems – Paul Quinney
May	Designing your new home
June	Sourcing and buying materials
July	Organisation and Project Management
August	Planning Consent and Application
September	Building Regulations
October	Contracts and Insurances

Speakers and topics are always subject to confirmation nearer the time.

Whilst in the comfort of your own home or office, or anywhere at all, you can learn from experts, swap ideas, contacts, etc with a friendly group of self/custom builders, and share the self build dream, by joining our programme of webinars.

Subscribe to BADSBA for much more information, essential contacts, and invitations to many more events, including group visits to various custom and self build projects, show tickets etc. Join at www.badsba.co.uk. (From £5 p.m.)

Self building embraces a wide range of approaches, those who do all the actual building work themselves; people who organise everything, but leave the labour to the professionals; or those who get their plot, and engage one or more contractors to do what is necessary to achieve the home they want. This process can also include major renovations and extensions.
